Concise Legal Research Feb 20 2022 Concise Legal Research details the technical aspects of a huge number of legal sources and explains how to research law with confidence and in good time. This new edition focuses on the impact of online access and the need for the researcher to move seamlessly between traditional and electronic resources. All strategies that have been created to incorporate hard copy researching techniques have been updated with alternate electronic methods. Particular attention has been paid to the chapter on secondary sources, and with the maintenance of a structured approach to research, recognises that online research - with its many inherent pitfalls - must carefully fit within rules of research required by the discipline.

Historical Dictionary of Australia May 14 2021 This fourth edition of Historical Dictionary of Australia covers its history through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture.

Law as Culture Jun 14 2021 Law as Culture is a beguilingly accessible, lively and engaging introduction to the law and to legal skills, complete with innovative skills exercises and even some cartoons. It gives the reader a framework for subsequent legal study and for professional life by demystifying the language and culture of the law and by building legal skills. The Extracts, Preface to the 2nd edn and Skills Inventory (below, link above), clearly outline the many strengths of this edition. The book shows how law students are socialised into professional legal culture, and encourages independent thought. It highlights the ways in which law reflects social values and priorities, the place of law as one among many systems of social organisation and problem-solving, and the rise of lawyers as a subculture. This edition has been extensively revised to take account of developments in law such as the results of the 1999 Referendum on the Republic, the debates about a Bill of Rights for Australia, and changes to legal professional practice. The jurisdictional reach has been extended to look at cases and legislation from all Australian States. Black/White relations has been introduced as a recurring theme - materials on Aboriginal Reconciliation, the Wik judgment and the legal and political debate over the Stolen Generations give continuity and perspective. Law as Culture includes clear and accessible accounts of key jurisprudential issues and an extended introduction which sets out the pedagogical assumptions. There are cases and legislation from all Australian States, thorough referencing, and an annotated list of Further Reading in each chapter.

LexisNexis Concise Australian Legal Dictionary Jul 28 2022 The fifth edition of this indispensable reference work contains over 10,000 entries in 100 subject areas. It has been reviewed, updated and expanded by a large team of legal experts from across Australia.

Manifest der Kommunistischen Partei Oct 19 2021 Dieses eBook: "Manifest der Kommunistischen Partei" ist mit einem detaillierten und dynamischen Inhaltsverzeichnis versehen und wurde sorgfältig korrekturgelesen. Das Manifest der Kommunistischen Partei, auch Das Kommunistische Manifest genannt, wurde von Karl Marx und Friedrich Engels um die Jahreswende 1847/48 im Auftrag des Bundes der Kommunisten verfasst. Das Manifest der Kommunistischen Partei wurde in mehr als 100 Sprachen übersetzt. Im Juni 2013 wurde es in das UNESCO-Dokumentenerbe aufgenommen. Das Programm, in dem Marx und Engels bereits große Teile der später als "Marxismus" bezeichneten Weltanschauung entwickeln, beginnt mit dem heute geflügelten Wort: "Ein Gespenst geht um in Europa – das Gespenst des Kommunismus" und endet mit dem bekannten Aufruf: "Proletarier aller Länder, vereinigt euch!" Mit dem Kommunistischen Manifest wollte der Bund der Kommunisten seine Anschauungen darlegen. Das etwa 30 Seiten umfassende Werk beginnt mit einer Einleitung, gefolgt von vier Kapiteln. Karl Marx (1818-1883) war ein deutscher Philosoph, Ökonom, Gesellschaftstheoretiker, politischer Journalist, Protagonist der Arbeiterbewegung sowie Kritiker der bürgerlichen Gesellschaft und der Religion. Zusammen mit Friedrich Engels wurde er zum einflussreichsten Theoretiker des Sozialismus und Kommunismus. Bis heute werden seine Theorien kontrovers diskutiert.

Use of Property Rights in Fisheries Management Aug 17 2021 The session was closed with papers that provided a prognosis on the future development of property rights in fisheries management. Thus, the conference papers addressed the theory and application of property.

Weltrevolution durch Weltgeschichte Nov 27 2019

Australian Property Law Feb 29 2020 Australian Property Law: Principles to Practice is an engaging introduction to property law in Australia. Covering substantive law and procedural matters, this textbook presents the law of personal and real property in a contemporary light. Australian Property Law details how property law practice is transformed by technology and provides insights into contemporary challenges and risks. Taking a thematic approach, the text covers possession of goods and land, land tenure, estates and future interests, property registration systems, Indigenous land rights and native title, social housing, Crown land and ethics. Complex concepts are contextualised by linking case law and legislation to practical applications. Each chapter is supported by digital tools including case and legislation boxes with links to the full source online, links to useful online resources, multiple-choice questions, review questions and longer narrative problems. Australian Property Law provides an essential introduction to the principles and practice of property law in an ever-changing technological environment.

LEGAL WRITING AND DRAFTING GUIDE Mar 24 2022

Ethics, Law and Society Sep 25 2019 This key collection brings together a selection of papers commissioned and published by the Cardiff Centre for Ethics, Law & Society. It incorporates contributions from a group of international experts along with a selection of short opinion pieces written in response to specific ethical issues. The collection addresses issues arising in biomedical and medical ethics ranging from assisted reproductive technologies to the role of clinical ethics committees. It examines broader societal issues with particular emphasis on sustainability and the environment and also focuses on issues of human rights in current global contexts. The contributors collect responses to issues arising from high profile cases such as the legitimacy of war in Iraq to physician-related suicide. The volume will provide a valuable resource for practitioners and academics with an interest in ethics across a range of disciplines.

Legal Regulations, Implications, and Issues Surrounding Digital Data Aug 24 2019 Every year, there are advances in the way that we deal with information as individuals, governments, and organizations. We live and work predominantly online resulting in an enormous amount of digital data. The way that information is used is constantly changing with individuals, governments, and corporations all involved in collecting, storing, using, disclosing, and transferring information online. The growth in artificial intelligence and its effects on data will impact all individuals. It is imperative that a greater understanding of these new advances is gained, in particular, the legal implications they have for society. Legal Regulations, Implications, and Issues Surrounding Digital Data is an essential research publication that assists readers in understanding the current technology they are using, how digital data is being used by governments and organizations, and the current legal issues surrounding these areas that set out challenges in everyday life. Highlighting topics such as data protection, cybercrime, and privacy, this book is ideal for lawyers, academicians, IT specialists, policymakers, cybersecurity professionals, law professionals, researchers, academicians, and students.

Scarlet Pimpernel Dec 29 2019 Wer ist Scarlet Pimpernel? Wer verbirgt sich hinter dem Zeichen jener unscheinbaren Blume, der scharlachroten Pimpernelle? Die englische Gesellschaft am Londoner Hof hat den geheimnisvollen Unbekannten zu ihrem Helden erkoren, die Damen träumen von ihm, die Männer bewundern ihn, und einige junge Adlige folgen ihm blindlings. Die Revolutionäre in Paris von 1792 dagegen fürchten ihn; sie hassen das scharlachrote Siegel, das Zeichen des Scarlet Pimpernel, verkündet es ihnen doch, daß es dem listigen Engländer wieder einmal gelungen ist, bedrohte Aristokraten auf abenteuerliche Weise aus Paris nach England zu schmuggeln und so vor der Guillotine zu retten. Sie haben sich geschworen, Scarlet Pimpernel zu entlarven, ihn zu fangen und zu verurteilen. Für dieses Unternehmen scheinen sie auch eine einflußreiche Verbündete gefunden zu haben: die schöne Marguerite Blakeney, die aus Paris stammt und in London unglücklich verheiratet ist. Aber Scarlet Pimpernel geht seinen Häschern nicht in die Falle ... Waghalsige Abenteuer, raffinierte Intrigen und eine zauberhafte Liebesgeschichte – der Roman von Baroness Orczy ist eine unglaublich spannende Lektüre.

Crimmigration in Australia Sep 05 2020 This multidisciplinary book introduces readers to original perspectives on crimmigration that foster holistic, contextual, and critical appreciation of the concept in Australia and its individual consequences and broader effects. This collection draws together contributions from nationally and internationally respected legal scholars and social scientists united by common and overlapping interests, who identify, critique, and reimagine crimmigration law and practice in Australia, and thereby advance understanding of this important field of inquiry. Specifically, crimmigration is addressed and analysed from a variety of standpoints, including: criminal law/justice; administrative law/justice; immigration law; international law; sociology of law; legal history feminist theory, settler colonialism, and political sociology. The book aims to: explore the historical antecedents of contemporary crimmigration and continuities with the past in Australia reveal the forces driving crimmigration and explain its relationship to border securitisation in Australia identify and examine the different facets of crimmigration, comprising: the substantive overlaps between criminal and immigration law; crimmigration processes; investigative techniques, surveillance strategies, and law enforcement agents, institutions and practices uncover the impacts of crimmigration law and practice upon the human rights and interests of non-citizens and their families, analyse crimmigration from assorted critical standpoints; including settler colonialism, race and feminist perspectives By focusing upon these issues, the book provides an interconnected collection of chapters with a cohesive narrative, notwithstanding that contributors approach the themes and specific issues from different theoretical and critical standpoints, and employ a range of research methods.

The Australian Law Times May 02 2020

The Modern Cy-près Doctrine Mar 31 2020 It is unusual, in the precise world of law, to find instances of where 'near enough is good enough'. This book explores when this is possible, referring to property and monetary transfers, under the increasingly important and influential cy-près doctrine. The doctrine decrees that, when literal compliance is impossible or infeasible, the intention of a donor or testator should be carried out 'as nearly as possible'. Over the past thirty years, this doctrine has marched into other legal territory where 'as near as possible' is also considered sufficient, such as in class actions litigation and under non-charitable trusts. Discussing and analyzing key developments across the Commonwealth jurisdictions and the USA, this book considers whether there is a new and overarching definition which can be attributed to the cy-près doctrine. It asks whether there is a doctrinal symmetry of Common law that truly renders it a body of 'cy-près law' in the modern context and whether the doctrine can be expected to play an even greater role in the future. This book is of interest to researchers and practitioners working in trusts and charity law, property law, contract law, and class actions jurisprudence.

Wenn nicht ich, wer dann? Oct 07 2020

Research Methods in Law Feb 08 2021 The aim of this book is to explain in clear terms some of the main methodological approaches in legal research. This is an edited collection, with each chapter written by specialists in their field, researching in a variety of jurisdictions. Each contributor addresses the topic of "lay decision makers in the legal system" from one particular methodological perspective, explaining how they would approach the issue and discussing why their particular method might, or might not, be suited to this topic. In asking all contributors to focus on the same topic, the editors have sought to provide a common link throughout the text, thereby providing the reader with an opportunity to draw comparisons between methods with relative ease. In light of the broad geographical range of its contributors, the book is aimed at an international readership. This book will be of particular interest to PhD students in law, but it will also be of use to undergraduate dissertation students in law, LL.M Research students as well as prospective PhD students and early year researchers.

Butterworths Australian Legal Dictionary Dec 21 2021 Containing approximately 20,000 definitions, the AUSTRALIAN LEGAL DICTIONARY is the first comprehensive Australian legal dictionary to be produced and is a landmark publication for the Australian legal profession. As the name suggests, the title has a strong Australian focus and includes many terms not found in American or English dictionaries. With legislative and case law authority provided for most definitions, the Dictionary is the ideal starting point for research. Definitions are referenced to Australian Legal Words and Phrases for additional citation information. Translation and phonetic pronunciation is provided for Latin words and phrases. The definitions cover every subject area of law and include: explanations of well known rules and principles of law; definitions of international law terms, treaties and conventions; old English legal terms to assist in understanding older cases and commentaries; translations of Latin legal words and phrases; descriptions of landmark decisions of the High Court of Australia; and biographical entries for significant legal figures. This product is also available as an online service. (Butterworths Encyclopaedic Australian Legal Dictionary). 'The [BUTTERWORTHS AUSTRALIAN LEGAL DICTIONARY] is massive in size, content and detail and it is hard to imagine a word which we would not find in it. ...on a rating of five I would have to give it a resounding five.' - The Law Letter, Tasmanian Law Society, June 1997.

Australian Legal Words and Phrases Jul 04 2020

LexisNexis Australian Legal Dictionary, 2nd Edition Aug 29 2022 The LexisNexis Australian Legal Dictionary, 2nd edition features succinct plain English definitions, supported by judicial and legislative authority, to provide a key point of reference for practitioners, students and the general reader. The scope, relevance and currency of the terms defined ensure that this work remains the most accurate, authoritative and popular legal dictionary in Australia. This revised edition of the Australian Legal Dictionary showcases evolving areas of law to adequately address market trends, such as the inclusion of elder law, social media, electronic conveyancing and assisted reproduction. It also includes a range of non-legal subject areas, such as business and commerce, reflective of the expanding roles of lawyers. Features: Over 28,000 terms in 100 subject areas - Extensive coverage in core legal areas - Concise plain English definitions - Contributions selected, reviewed and edited by Australian legal experts - Legislative and judicial authority supports key definitions - Extensive cross-referencing for easy navigation to related terms - Phonetic pronunciation of Latin terms - Seven appendices of useful information, including the Commonwealth Constitution Related Titles Finkelstein & Hamer, Concise Australian Legal Dictionary, 5th edition, 2014 Halsbury's Laws of Australia Australian Legal Words and Phrases

A Dictionary of Law Enforcement Jan 22 2022 The only dictionary available focusing on UK law enforcement, this invaluable volume covers every aspect of criminal law including pathology, forensic medicine, commerce and trade, criminology, and psychology. Essential reference for trainee and practising police officers, and other professionals needing clear definitions of law enforcement terms.

Allied Health Professionals and the Law Mar 12 2021 News: this book has been included as one of the texts for the National Psychology Examination - Curriculum Domains 1 (Ethics) and 4 (Communication), developed by the Psychology Board of Australia. This book targets a wide range of allied health professions. The list, while not exhaustive, embraces occupational therapy, podiatry, Chinese medicine, complementary medicine, nuclear medicine, speech pathology, radiography, physiotherapy, psychology, osteopathy, chiropractic care and optometry. The authors explain the legal context in which these professions function, the various forms of legal regulation which apply to them, their legal liabilities, and legal imperatives which bear upon their practice. Also included is commentary on the limits and ambiguities of law in relation to allied health activity, the interaction between law and professional ethics, and some significant legal challenges in normal professional life. Allied Health Professionals and the Law expands the legal knowledge of allied health readers whether they are practitioners seeking to understand the legal aspects of their work or researchers engaged in analysis of professional matters which have legal dimensions and implications.

The Law of Intervening Causation Dec 09 2020 Utilizing a comparative examination of case-law from England, Canada, the USA, Australia, New Zealand and Ireland, this volume provides a comprehensive and systematic study of the law of intervening causation (novus actus interveniens) to present an analysis of this particular judicial limitation of liability device. The work provides a structure from which to formulate core general legal principles and identify the various legal tests utilized by the courts.

Der Begriff des Rechts Jul 16 2021

Butterworths Concise Australian Legal Dictionary Sep 29 2022 This is a plain English reference for Australian law students and the general public. This third edition has been comprehensively reviewed and updated and has 100 contributors from diverse legal backgrounds.

Careers in Law: A Guide for Students, Graduates and Professionals Apr 12 2021 This book addresses the difficult decisions in the life of law students, graduates and young law professionals in deciding the area of legal practice to pursue as a career. The number of legal fields and subfields is over one hundred, making it virtually impossible for an upcoming lawyer to explore all of these career avenues. Many students finish law school with little understanding of what specific law careers involve, for example, or what sports or space lawyers routinely do. This book highlights the time-consuming nature of law education and training that causes a lack of experience in legal fields as being able to successfully determine the right legal profession for the student. Finding a law career that is a significant source of satisfaction is a function of serious thinking and active research, which the current university to legal practice does not facilitate. This book is a practical guide for any student or current lawyer who is deciding and evaluating their future legal profession.

Anti-bribery Laws in Common Law Jurisdictions Jan 28 2020 Deming provides a comprehensive analysis of the foreign bribery laws, and related laws and regulations, in all of the major common law jurisdictions. For each jurisdiction, careful attention is given to laws that may expose an individual or entity to private or commercial bribery in foreign settings as well as to the application of laws relating to money laundering and accounting and record-keeping practices to situations involving foreign bribery. Throughout, special attention is given to explaining the criteria used in each jurisdiction to establish liability on the part of an entity or organisation.

Learning Law Sep 17 2021 Learning Law is an indispensable guide, providing the foundational knowledge and skills required for the study and practice of law.

Australian Law Dictionary Oct 31 2022 The Australian Law Dictionary is a key reference for those who need familiarity with, and a comprehensive knowledge of Australian legal terms. Designed specifically for students, the ALD uses clear and concise language and explores the terms encountered in everyday practice, focusing on core legal knowledge and practice areas. Entries are cross-referenced with their related concepts, giving students a broader understanding of their context within the body of law, while the first sentence of each entry provides a quick, basic overview to quickly familiarise students with the term. Written, reviewed and edited by legal experts, this edition features new terms relating to taxation, business law and company law and has been updated to include relevant cases and legislation.

Grundzüge der Mikroökonomik Jun 02 2020 Übersetzt von Univ.-Prof. Dr. Reiner Buchegger, Johannes Kepler University, Linz Dieses Lehrbuch schafft es in bereits 9. Auflage wie kein anderes, nicht nur den Stoff der Mikroökonomie anschaulich zu erklären, sondern auch die ökonomische Interpretation der Analyseergebnisse nachvollziehbar zu formulieren. Es ist an vielen Universitäten ein Standardwerk und wird oft zum Selbststudium empfohlen. Die logisch aufeinander aufbauenden Kapitel und das gelungene Seitenlayout mit zahlreichen Grafiken erleichtern den Zugang zur Thematik. Ebenso werden aktuelle Anwendungen der Mikroökonomie theoretisch und praktisch dargestellt. Die Neuauflage wurde um ein Kapitel zur Ökonometrie erweitert und enthält zahlreiche aktuelle Anwendungsbeispiele von Firmen aus dem Silicon Valley.

Private International Law and the Internet Jun 22 2019 In this, the third edition of Private International Law and the Internet, Professor Dan Svantesson provides a detailed and insightful account of what is emerging as the most crucial current issue in private international law; that is, how the Internet affects and is affected by the four fundamental questions: When should a lawsuit be entertained by the courts? Which state's law should be applied? When should a court that can entertain a lawsuit decline to do so? And will a judgment rendered in one country be recognized and enforced in another? He identifies and investigates twelve characteristics of Internet communication that are relevant to these questions, and then proceeds with a detailed discussion of what is required of modern private international law rules. Professor Svantesson's approach focuses on several issues that have far-reaching practical consequences in the Internet context, including the following: • cross-border defamation; • cross-border business contracts; • cross-border consumer contracts; and • cross-border intellectual property issues. A wide survey of private international law solutions encompasses insightful and timely analyses of relevant laws adopted in a variety of countries including Australia, England, Hong Kong, the United States, Germany, Sweden, and China as well as in a range of international instruments. There is also a chapter on advances in geo-identification technology and its special value for legal practice. The book concludes with two model international conventions, one on cross-border defamation and one on cross-border contracts; as well as a set of practical check-lists to guide legal practitioners faced with cross-border matters within the discussed fields. Professor Svantesson's book brings together a wealth of research findings in the overlapping disciplines of law and technology that will be of particular utility to practitioners and academics working in this new and rapidly changing field. His thoughtful analysis of the interplay of the developing Internet and private international law will also be of great value, as will the tools he offers with which to anticipate the future. Private International Law and the Internet provides a remarkable stimulus to continue working towards globally acceptable rules on jurisdiction, applicable law, and recognition and enforcement of judgments for communication via the Internet.

Ethics, Law and Society Aug 05 2020 This key collection brings together a selection of papers commissioned and published by the Cardiff Centre for Ethics, Law & Society. It incorporates contributions from a group of international experts along with a selection of short opinion pieces written in response to specific ethical issues. The collection addresses issues arising in biomedical and medical ethics ranging from assisted reproductive technologies to the role of clinical ethics committees. It examines broader societal issues with particular emphasis on sustainability and the environment and also focuses on issues of

human rights in current global contexts. The contributors collect responses to issues arising from high profile cases such as the legitimacy of war in Iraq to physician-related suicide. The volume will provide a valuable resource for practitioners and academics with an interest in ethics across a range of disciplines.

Landmark Cases in Land Law Jul 24 2019 Landmark Cases in Land Law is the sixth volume in the Landmark Cases series of collected essays on leading cases (previous volumes in the series having covered Restitution, Contract, Tort, Equity and Family Law). The eleven cases in this volume cover the period 1834 to 2011, although, interestingly, no fewer than six of the cases were decided or reported in the 1980s. The names of the selected cases will be familiar to property lawyers. However, individually, the essays provide a reappraisal of the cases from a wide range of perspectives - focusing on their historical, social or theoretical context, highlighting previously neglected aspects and even questioning their perceived importance. Collectively, the essays explore several common themes that pervade the law of property – the numerus clausus principle, the conclusiveness of registration, the desirability of certainty in the law and the central question of the enforceability of interests through changes in ownership of land. This volume provides a collection of essays that will be of interest to academics, students and practitioners.
