Die Straße Apr 12 2021 Die Welt nach dem Ende der Welt Ein Mann und ein Kind schleppen sich durch ein verbranntes Amerika. Nichts bewegt sich in der zerstörten Landschaft, nur die Asche schwebt im Wind. Es ist eiskalt, der Schnee schimmert grau. Sie haben kaum etwas bei sich: ihre Kleider am Leib, einen Einkaufswagen mit der nötigsten Habe und einen Revolver mit zwei Schuss Munition. Ihr Ziel ist die Küste, obwohl sie nicht wissen, was sie dort erwartet. Die Geschichte der beiden ist eine düstere Parabel auf das Leben, und sie erzählt von der herzerreißenden Liebe eines Vaters zu seinem Sohn.

Life Is a Road Trip Jul 28 2022 When Darren, Nikki and Larry sat around talking about selling everything, quitting their jobs and hitting the road deep down it was just something fun to talk about, not real. But when life gave them the opportunity to have such an adventure, they decided to go for it. Winnie, their RV, was their new addition to the family. Nikki and Darren had spent the last eight years being married and building a normal life including owning a mortgage or two, climbing the corporate ladder and preparing their life for a family. All but the last thing happened so they

decided to talk about all the things they could do if they didn't have kids including travel. It was time to stop talking and starting doing. After 37 states, numerous breakdowns, Elvis sightings, the last Mardi gras before Hurricane Katrina, Appalachian Trail crossings and many other humorous encounters, they end up nearly a year later where they started with a new business and another addition to the family. The next adventure will be even greater than the last!

The Road Jun 22 2019 By the author of *Life and Fate*, now a major Radio 4 drama starring Kenneth Branagh. Vasily Grossman is widely recognized as one of the outstanding literary figures of the twentieth century. The short fiction collected here - satire, comedy, tragedy and pure narrative - illustrate the remarkable breadth of his work, and demonstrate all the bold intelligence, delicate irony and extraordinary vividness for which he has become known. In addition to the eleven stories, this volume includes the complete text of 'The Hell of Treblinka', one of the first descriptions of a Nazi extermination camp; a powerful and harrowing piece of journalism written only weeks after the camp was dissolved. Beautifully illuminated by Robert Chandler's introductions and endnotes, with photographs from the family archive, and an Afterword by Grossman's stepson, Fyodor Guber.

The Road Into the Open Jul 16 2021 "One of the most important, representative, revelatory works of Austria at the turn of the century. . . . The best English version of the novel."—Marc A. Weiner, Indiana University "In Arthur Schnitzler the two strands of Austrian fin-de-siècle culture, the

moralistic and the aesthetic, were present in almost equal proportions. Small wonder that Freud hailed Schnitzler as a 'colleague' in the investigation of the 'underestimated and much-maligned erotic.'"—Carl Schorske, author of *Fin-de-Siècle Vienna*

Life Is a Road, Ride It Hard! Jun 26 2022 "That would have been unnerving enough, but the shape of the thing convinced me it moved with a purpose. What I saw, just for a moment, was a dragon. Born of lightning and fire, it flew into the air, writhed in the pleasure of its freedom, and screamed in ecstasy as it flew toward me " 10,158 miles. Incredible thunderstorms, raging forest fires, dense smoke, hail, sleet, cops, a half-a-dozen paramedics, bears, and even a dragon or two you know the usual stuff. Ride the Alaskan Highway all the way there and back again. It's 4365 miles each way, Dallas to Fairbanks

Life Is A Road Trip Apr 24 2022 The book is an upshot of the author's riveting years of adventures and misadventures from childhood to early adulthood, lessons learned from fellow pilgrims she met along the way or travelled with in her lifetime and how these have taught her to see and enjoy life differently as a young working mother coping with the responsibilities of raising children, earning a living and learning basic accounting as an essential part of running a household.

Life Is a Road, the Soul Is a Motorcycle Aug 29 2022 "I was on a lonely stretch of road. There were no lights other than the moon and stars, and I had not encountered any traffic in at least 10 minutes. Far ahead of me a figure stepped out of the brush and stood on the shoulder of the road. The figure was still far out of my headlight range, but was visible as a stunning and marvelous silhouette in the bright moonlight." Capturing the essence of the riding experience through a series of adventures and a candid look into the author's mind, this book explodes the myths and shows the reader something few books have before—the complex motivations of an avid motorcycle rider.

Baseball as a Road to God Oct 31 2022 The president of New York University offers a love letter to America's most beloved sport and a tribute to its underlying spirituality. For more than a decade, John Sexton has taught a wildly popular New York University course about two seemingly very different things: religion and baseball. Yet Sexton argues that one is actually a pathway to the other. Baseball as a Road to God is about touching that something that lies beyond logical understanding. Sexton illuminates the surprisingly large number of mutual concepts shared between baseball and religion: faith, doubt, conversion, miracles, and even sacredness among many others. Structured like a game and filled with riveting accounts of baseball's most historic moments, Baseball as Road to God will enthrall baseball fans whatever their religious beliefs may be. In thought-provoking, beautifully rendered prose, Sexton elegantly demonstrates that baseball is more than a game, or even a national pastime: It can be a road to enlightenment.
