Christianity and the Secret Teachings of the Masonic Lodge Oct 17 2021 Is there anything wrong with a Christian being a member of the Lodge? Are you a Christian pastor who has studied Masonry found nothing wrong with it and so you have not warned your members and possibly even joined the Lodge yourself? Does your church allow Masons to serve on your boards to teach the Bible in Sunday School and serve in other positions of influence and leadership? In this book we will document from the Masonic Ritual the authoritative book given to a person who enters and becomes a member of the Lodge how Masonry conflicts and denies foundational Christian truths. Masons are promised that nothing in Masonry's teachings will ever conflict with their own Christian belief. Has Masonry lied to or deceived Christians? In this book you will find answers to all these questions from the Masonic ritual and the Bible itself.

The Sacred Scriptures - Vol. II (Part 1/2) Feb 21 2022 The objective of “The Sacred Scriptures” by John Biermanski is to revoke all falsifications in today's Bibles known so far (in the Old and New Testament), and to restore the original state of the verses as far as possible. In the present work, you will find “The Acts of the Apostles” to “The Letter of Paul the Apostle to Philemon”, in which the verses are written in German and English, as well as an appendix with various elaborations and statements, etc. (see the table of contents). There is both a German and an English edition in which the attachments are available in the respective selected language. This is an English edition. The author was born in 1963 in North Rhine-Westphalia and completed a traineeship for wholesale and foreign trade in a pharmaceutical wholesale company. In the course of his professional development, he used to be a freelancer but was also officially employed; he has experienced a lot rises and falls throughout his life. While studying the Scriptures, he was led by the Spirit of the only God, the Almighty and the only Holy Father in heaven, whereas, by grace, he could recognize many things that are now presented as heresies to the world. In recent years he has been active in the

proclamation of the Word of YAHWEH Elohim (G-d) in Europe, Canada, particularly in Brazil (South America), and has enlightened many people by his message, so that they get to know the true God, His holy name and His will and only obey Him (Exodus 20:2-11; Leviticus chapter 19 and 23 etc.) – and start to think about all this, i. e. “so that they finally decide themselves in favour of the living Elohim (G-d): YAHWEH, instead of against Him, and their names are not erased from the divine 'Book of Life' forever.”

The Sacred Scriptures - 29th Special Edition (Part 4/4) Jun 25 2022 The objective of “The Sacred Scriptures” by John Biermanski, 29th edition - “Special Edition,” also written in German, is to revoke all falsifications in today's Bibles known so far (the New Testament), and to restore the original state of the verses as far as possible. In the

present work, you will find the holy and true name of the living Elohim/G-d “YAHWEH” (the Elohim/G-d of Abraham, the Elohim/G-d of Isaac and the Elohim/G-d of Jacob), of the children of Israel (Exodus 3:15), to his glory in this edition, and “The New Covenant ~ The New Testament”, “The Book of Psalms” and “The Book of Daniel”, in which all verses are written in German and English with “Appendix” in English (see the “Table of Contents”). In this part is: "THE BOOK OF REVELATION" and also the very important "APPENDIX" for example "Note about Daniel, Chapter 7, Verses 21-28" and the work of the English Reformers, etc. The author was born in 1963 in North Rhine-Westphalia and completed a traineeship for wholesale and foreign trade in a pharmaceutical wholesale company. In the course of his professional development, he used to be a freelancer but was also officially employed; he has experienced a lot rises and falls throughout his life. While studying the Scriptures, he was led by the Spirit of the only God, the Almighty and the only Holy Father in heaven, whereas, by grace, he could recognize many things that are now presented as heresies to the world. In recent years he has been active in the proclamation of the Word of God in Europe, particularly in Brazil (South America), and has enlightened many people by his message, so that they get to know the true God, His holy name and His will and only obey Him - and start to think about all this,

i. e. "so that they finally decide themselves in favour of the living God, instead of against Him, and their names are not erased from the divine 'Book of Life' forever."

The Sacred Writings of Gregory of Nyssa (Annotated Edition) Dec 19 2021 "The Sacred Writings Of ..." provides you with the essential works among the Early Christian writings. The volumes cover the beginning of Christianity until before the promulgation of the Nicene Creed at the First Council of Nicaea. This volume is accurately annotated, including * an extensive biography of the author and his life Gregory of Nyssa (c. 335 – c. 395) (also known as Gregory Nyssen) was bishop of Nyssa from 372 to 376, and from 378 until his death. He is venerated as a saint in

Roman Catholicism, Eastern Orthodoxy, Oriental Orthodoxy, Lutheranism and Anglicanism. Gregory, his brother Basil of Caesarea and Gregory of Nazianzus are collectively known as the Cappadocian Fathers. Gregory lacked the administrative ability of his brother Basil, or the contemporary influence of Gregory of Nazianzus, but was an erudite theologian who made significant contributions to the doctrine of the Trinity and the Nicene creed. Gregory's philosophical writings were influenced by Origen, and he is generally considered to have believed in universal salvation. Since the mid-twentieth century, there has been a significant increase in interest in Gregory's works from the academic community, which has resulted in challenges to many traditional interpretations of his theology. The Old Covenants, Part 1 - The Old Testament, Genesis - 1 Chronicles May 12 2021 As one of his most important works, Joseph Smith Jr. spent years making inspired clarifications to the Bible text; however, he was killed before it could be published. Here, for the first time, every known emendation that he wrote or taught has been assembled into the most complete version of Joseph Smith's New Translation of the Bible. In October 1831, Joseph Smith said "except the church receive the fullness of the scriptures that they would yet fall." From that time until his death in 1844, Joseph Smith worked diligently to prepare an edition of the Bible that could be received by the church, and in the process greatly expand the religious understanding of Christians and Christianity of his day. Using a unique spiritual gift, he inquired of God and received

thousands of inspired corrections and clarifications, including many pages of text that had been long since removed from Genesis and other parts of the Bible. However, he was murdered before completing the work, and with the scattering of his notes following his death, it was never published in its entirety. Known at the time as the "fullness of the scriptures" and subsequently the "Inspired Version" or the Joseph Smith Translation (JST), portions of Joseph Smith's New Translation of the Bible were collected and published at various times, usually together with hundreds of alterations that were not the work of Joseph Smith. Because no single church, institution or collection had access to all of his journals, notebooks, papers and letters, his inspired work on the project was never gathered and published in a single edition, until now. Today, of the over 88 different English Bible translations available, this Restoration Edition of Joseph Smith's New Translation of the Bible stands alone as the most complete compilation of Joseph's work on this project. The text was carefully compiled and reviewed using all of Joseph's available verbal and written statements. Early Christian reforms, and the availability of the Holy Bible changed the world. But reform and translation alone could not, and cannot, restore lost knowledge or recover unaltered sacred texts. For that, inspiration and revelation from heaven itself is necessary. Joseph Smith answered the call. He was unequaled in his day as a leading religious figure, and

his name has been held for both good and evil by Christians worldwide. These scriptures are a new witness of Christ and a sign of His invitation to renew communication with mankind. Religious scholars, students of religion, Christians and seekers of truth alike should prayerfully consider the greatly expanded views of God, his covenants, and his dealings with the human race that are available in this Restoration Edition of the Bible. The six (6) total books comprising the Restoration Edition of the scriptures include: VOLUME 1: THE OLD COVENANTS Part 1: The Old Testament, Genesis - 1 Chronicles Part 2: The Old Testament, 2 Chronicles - Malachi VOLUME 2: THE NEW COVENANTS Book 1: The New Testament Book 2: The Book of Mormon VOLUME 3: TEACHINGS & COMMANDMENTS Book 1: Teachings & Commandments Book 2: A Glossary of Gospel Terms This is Part 1 of Volume 1, which together with Part 2 constitutes a single volume named The Old Covenants because it includes the not only the traditional Old Testament, but also includes the Book of Moses which recovers and restores information about the covenants that were established with Adam, Enoch, Noah, Abraham, and Moses. Topics covered in this volume include religion, spirituality, education, worship, devotion, faith, prayer, theology, protestant fundamentalism, mormonism, ethics, reformation, Jesus Christ, sacred scripture, the latter days or end times, gospel truth,

jewish roots and more.

Knowing what you believe in and why is critical to your entire existence. Everyone needs to invest time and effort in learning what and why they believe in the faith they have chosen to follow or not follow. The Holy Bible being the Word of God is the only place to seek truth and answers to questions pertaining to what a person should put

their faith and belief in. The teachings of the Bible, which are its Doctrine, should not be avoided. Every attempt should be made to gain an understanding of what is stated within the Scriptures. All one has to do is pick up a Bible and begin reading it, and God's Word will reveal His truths and provide answers that you are seeking. Donald E. A Monastic Introduction to Sacred Scripture Jan 20 2022 Thomas Merton gave numerous conferences during his decade (1955-1965) as novice master at the Cistercian Abbey of Gethsemani. In A Monastic Introduction to Sacred Scripture, Patrick F. O'Connell presents one of these, a wide-ranging introduction to biblical studies. Drawing on church tradition, teaching of recent papal documents, and scholarly resources of the time, Merton reveals the central importance of the Scriptures for the spiritual growth of his listeners. For Merton, at the heart of any meaningful reading of the Scriptures, not only for monks but for all Christians, is the invitation to respond not just intellectually but with the whole self, to recognize the gospel as 'good news', as a saving, liberating, consoling, challenging word, reflecting his fundamental belief that 'the Holy Spirit enlightens us, in our reading, to see how our own lives are part of these great mysteries - how we are one with Jesus in them'. O'Connell's extensive introduction situates this reflection in the context of Merton's evolving engagement with the Bible from his own days as a student monk through the mature reflections from his final years on the biblical renewal in the wake of the Second Vatican Council..

Reading the Sacred Scriptures Apr 23 2022 Reading the Sacred Scriptures: From Oral Tradition to Written Documents and their Reception examines how the scriptures came to be written and how their authority has been constructed and reinforced over time. Highlighting the measures taken to safeguard the stability of oral accounts, this book demonstrates the care of religious communities to maintain with reverence their assembled parchments and scrolls. Written by leading experts in their fields, this collection chronicles the development of the scriptures from oral tradition to written documents and their reception. It features notable essays on the scriptures of Hinduism, Judaism, Buddhism, Zoroastrianism, Confucianism, Daoism, Christianity, Islam, Sikhism, Shinto, and Baha'i. This book will fascinate anyone interested in the belief systems of the featured religions. It offers an ideal starting point from which

undergraduate and postgraduate religious studies students, teachers and lecturers can explore religious traditions from their historical beginnings.

Christian Doctrine from the Bible to the Present Feb 27 2020 Christianity has always been a "creedal" religion in that it has always been theological. It was rooted in the theological tradition of ancient Israel, which was unified by its historical credos and declaratory affirmations of faith. No pre-theological era has been discovered in the New Testament or in the history of the Christian community. From the beginning Christianity has been theological, involving men in theological reflection and calling them to declarations of faith. A non-theological Christianity has simply never endured, although such has been attempted, for instance, by individual seers in the sixteenth century and also by collaborators with totalitarian ideologies in the twentieth century. The creeds presented here range from the ancient faith of the Hebrews and the creed-like formulas of the New Testament to the Barmen declaration of 1934 (framed by the Christians in Germany who faced the threat of Nazism) and the Batak Creed of 1951 (in which Indonesian Christians gave authentic expression to their religious belief in the idiom of their own culture. All the creeds are in some sense "official," and every major division of Christendom is represented, including the Younger Churches. The volume ends with the messages of the most important assemblies dealing with the

Ecumenical Movement. This single volume, containing all the major theological affirmations of the Christian community, is a source book for the study of Christian theology. It comprises a record of the Church's interpretation of the Bible in the past and an authoritative guide to its interpretation on the present. Indeed, it is a guide to an understanding of the Christian interpretation of life.

The Sacred Text Jul 14 2021 The advances of geologic science, Darwinism, theological liberalism, and higher textual criticism converged in the nineteenth century to present an imposing challenge to biblical authority. The meteoric rise in secular knowledge exerted tremendous pressure on the Protestant theological elite of the time. Their ruminations, conversations, quarrels, and convictions offer penetrating insight into their world—into their perspective on Scripture and authority and how their outlook was challenged, defended, and sometimes changed across time. Moreover, the nineteenth-century imbroglios greatly illuminate a recent controversy over biblical authority. Some influential modern scholars of American religion contend that the doctrine of the inerrancy of the original autographs is a recently contrived theory, a theological aberration decidedly out of concert with mainline orthodoxy since the Reformation. They argue that pressure from biblical critics incited late nineteenth-century Princeton theologians to fabricate the notion as a way to quell criticism against

Scripture. American fundamentalists, they insist, unwittingly adopted inerrancy as orthodoxy, being deceived by this innovation. This story has become standard scholarly currency in many quarters. However, The Sacred Text indicates that fundamentalists and conservative Protestants more generally are the standard-bearers of the ascendant theory of biblical authority commonly endorsed among many of the leading Protestant elite in nineteenth-century America.

World Scripture and the Teachings of Sun Myung Moon Mar 22 2022 The Rev. Dr. Sun Myung Moon has said that he commissioned the World Scripture series based upon the firm conviction that religions have a key role to play in building a world of

lasting peace in the twenty-first century. Indeed, in compiling an authoritative selection of his own teachings, Rev. Moon has insisted on the inclusion of the sacred writings of the world. *World Scripture and the Teachings of Sun Myung Moon* builds on the foundation of *World Scripture: A Comparative Anthology of Sacred d104s* (1991), a pioneering work that examines the scriptures of the world's religions and illuminates their universal teachings and common ground. For the many people who have come to know and respect rev. Moon for his interreligious work and his efforts for world peace, these pages offer a doorway into his thought. For those who are already well acquainted with his teachings, this book reveals the rich connections between his thought and the universal heritage of the world's religions.

The Doctrine of Scripture Aug 03 2020 When Holy Scripture is read aloud in the liturgy, the church confesses with joy and thanksgiving that it has heard the word of the Lord. What does it mean to make that confession? And why does it occasion praise? The doctrine of Scripture is a theological investigation into those and related questions, and this book is an exploration of that doctrine. It argues backward from the church's liturgical practice, presupposing the truth of the Christian confession: namely, that the canon does in fact mediate the living word of the risen Christ to and for his people. What must be true of the sacred texts of Old and New Testament alike for such

confession, and the practices of worship in which they are embedded, to be warranted? By way of an answer, the book examines six aspects of the doctrine of Scripture: its source, nature, attributes, ends, interpretation, and authority. The result is a catholic and ecumenical presentation of the historic understanding of the Bible common to the people of God across the centuries, an understanding rooted in the church's sacred tradition, in service to the gospel, and redounding to the glory of the triune God.

Biblical Economic Ethics Dec 27 2019 Written in non-technical language accessible to non-specialist readers, this book is a theological synthesis of the findings of scripture scholars and ethicists on what the Bible teaches about economic life. It proposes a biblical theology of economic life that addresses three questions, namely: What do the individual books of Sacred Scripture say about proper economic conduct? How do these teachings fit within the larger theology and ethics of the books in which they are found? Are there recurring themes, underlying patterns, or issues running across these different sections of the Bible when read together as a single canon? The economic

norms of the Old and New Testament exhibit both continuity and change. Despite their diverse social settings and theological visions, the books of the Bible nonetheless share recurring themes: care for the poor, generosity, wariness over the idolatry of wealth, the inseparability of genuine worship and upright moral conduct, and the acknowledgment of an underlying divine order in economic life. Contrary to most people's first impression that the Bible offers merely random economic teachings without rhyme or reason, there is, in fact, a specific vision undergirding these scriptural norms. Moreover, far from being burdensome impositions of do's and don'ts, this book finds that the Bible's economic norms are, in fact, an invitation to participate in God's providence. To this end, we have been granted a threefold benefaction: the gift of divine friendship, the gift of one another, and the gift of the earth. Thus, biblical economic ethics is best characterized as a chronicle of how God provides for humanity through people's mutual solicitude and hard work. The economic ordinances, aphorisms, and admonitions of the Old and New Testament turn out to be an unmerited divine invitation to participate in God's governance of the world. Our economic conduct provides us with a unique opportunity to shine forth in our creation in the image and likeness of God. Often extremely demanding, hard, and even fraught with temptations and distractions, economic life nevertheless is, at its core, an occasion for humans to

grow in holiness, charity, and perfection."
