Yolanda Apr 29 2020 Zwei außergewöhnliche Frauenschicksale Yolanda

Garcia, temperamentvoll, exzentrisch und in der Dominikanischen Republik geboren, will eigentlich nur eines: schreiben - was aber gar nicht so einfach ist in den USA, wohin sie als Kind mit ihren Eltern und Schwestern ausgewandert ist. Da ist ihre lebenslustige und liebenswerte Familie, die an ihr zerrt, da sind ihre Ehemänner und Liebhaber. Vor allem ist da aber das Gefühl, nirgends dazuzugehören. Erzählt wird Yolandas Leben von ihren lebhaften Schwestern, von Freundinnen, ihren diversen Liebhabern und Ehemännern. Auch die neue Heimat Yolandas die USA wird von verschiedenen Seiten betrachtet, genauso wie die märchenhafte Dominikanische Republik aus der die Familie einst floh, in die es die impulsive Yolanda aber immer wieder zurückzieht.

Countdown: H Hour May 23 2022 #3 in the Countdown modern-day military adventure series. Welcome to the Philippines outback. It's a true garden spot, if you happen to like drug running, bush-bound revolutionary movements, Balkanized tribal warfare, illegal weapons trading, and kidnapping for fun and profit. It's hostage rescue time once again for Terry Welch's special operations company. But this is turning out to be one of those missions. Starting with no clue as to the hostage's whereabouts topped off by Welch and his crew having to endure a rifle company of hated competitors supposedly sent along for reinforcement. Part of the territory for Welch. But then an attack on both companies' home bases leaves families and friends under threat of death and any available support scurrying to defend. Worse, advance team members sent to reconnoiter have been taken hostage as well. No help, no backup, team members in the soup. Welch knows there's only one solution: do whatever it takes. This is H Hour. And the fight is on. At the publisher's request, this title is sold without DRM (Digital Rights Management).
