[The Legal Philosophy and Influence of Jeremy Bentham](#) Aug 13 2021 Gathering together an impressive array of legal scholars from around the world, this book features essays on Jeremy Bentham's major legal theoretical treatise, *Of the Limits of the Penal Branch of Jurisprudence*, reassessing Bentham's theories of law as well as his impact on jurisprudence. While offering a suggestive picture of contemporary Bentham studies, the book provides a thorough examination of concepts such as legal discourse, legal norms, legal system, and subjective legal positions. The book compares Bentham's approach with other landmark theories and the works of major legal philosophers including Austin, Hart and Kelsen, and explores Bentham's treatise through major trends in contemporary legal thought, such as the imperative theory of law, deontic logic, Scandinavian and American legal realisms, the pure theory of law, and critical legal thought. Resisting any apologetic stance, the book elucidates how consistent with Bentham's all-encompassing project of utilitarian reform 'Limits' turns out to be, and how this sheds light on contemporary modes of governance. The book will be great use and interest to scholars and students of contemporary jurisprudence, legal theory, 19th century philosophy, and public law.

Surveying Subjective Phenomena Sep 02 2020 In January 1980 a panel of distinguished social scientists and statisticians assembled at the National Academy of Sciences to begin a thorough review of the uses, reliability, and validity of surveys purporting to measure such subjective phenomena as attitudes, opinions, beliefs, and preferences. This review was prompted not only by the widespread use of survey results in both academic and non-academic settings, but also by a proliferation of apparent discrepancies in allegedly equivalent measurements and by growing public concern over the value of such measurements. This two-volume report of the panel's findings is certain to become one of the standard works in the field of survey measurement. Volume I summarizes the state of the art of surveying subjective phenomena, evaluates contemporary measurement programs, examines the uses and abuses of such surveys, and candidly assesses the problems affecting them. The panel also offers strategies for improving the quality and usefulness of subjective survey data. In volume II, individual panel members and other experts explore in greater depth particular theoretical and empirical topics relevant to the panel's conclusions. For social scientists and policymakers who conduct, analyze, and rely on surveys of the national state of mind, this comprehensive and current review will be an invaluable resource.

Congressional Record May 10 2021 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Contemporary Epistemology Aug 01 2020 A rigorous, authoritative new anthology which brings together some of the most significant contemporary scholarship on the theory of knowledge Carefully-calibrated and judiciously-curated, this strong and contemporary new anthology builds upon Epistemology: An Anthology, Second Edition (Wiley Blackwell, 2008) by drawing a concise and well-balanced selection of higher-level readings from a large, diverse, and evolving body of research. Includes 17 readings that represent a broad and vital part of contemporary epistemology, including articles by female philosophers and emerging thought leaders Organized into seven thoughtful and distinct sections, including virtue epistemology, practical reasons for belief, and epistemic dysfunctions among others Designed to sit alongside the highly-successful anthology of canonical essays, Epistemology: An Anthology, Second Edition (Wiley Blackwell, 2008) Edited by a distinguished editorial team, including Ernie Sosa, one of the most influential active epistemologists Highlights cutting edge methodologies and contemporary topics for advanced students, instructors, and researchers

King Lear Jun 11 2021

The Data Game May 30 2020 This book introduces students to the collection, uses, and interpretation of statistical data in the social sciences. It would suit all social science introductory statistics and research methods courses. Separate chapters are devoted to data in the fields of demography, housing, health, education, crime, the economy, wealth, income, poverty, labor, business statistics, and public opinion polling, with

a concluding chapter devoted to the common problem of ambiguity. Each chapter includes multiple case studies illustrating the controversies, overview of data sources including web sites, chapter summary and a set of case study questions designed to stimulate further thought.

Acts of Citizenship May 22 2022 This book introduces the concept of 'act of citizenship' and in doing so, re-orientes the study of what it means to be a citizen. Isin and Nielsen show that an 'act of citizenship' is the event through which subjects constitute themselves as citizens. They claim that such an act involves both responsibility and answerability, but is ultimately irreducible to either. This study of citizenship is truly interdisciplinary, drawing not only on new developments in politics, sociology, geography and anthropology, but also on psychoanalysis, philosophy and history. Ranging from Antigone and Socrates in the ancient world to checkpoints, euthanasia and flash mobs in the modern one, the 'acts' and chapters here build up a dynamic and wide-ranging picture. Acts of Citizenship provides important new insights for all those concerned with the relationship between individuals, groups and polities.

The Crucible Mar 08 2021 The Crucible is a study in the mass hysteria which led to the 1692 Salem witchcraft trials, concentrating on the fate of some of the key figures caught up in the persecution. It powerfully depicts people and principles under pressure and the issues and motivations involved. At the same time, it is also a parable for the events of the McCarthy era in the USA of the 1950s when anyone suspected of left-wing views was arraigned for 'Un-American Activities'.

Government in the Sunshine Act Implementation Mar 20 2022

Statistics of Land-grant Colleges and Universities Jun 18 2019

The Play of Goggle Eyes Feb 07 2021 Helly Johnston is miserable about her mother's second marriage, until Kitty Killen comes to the rescue. Kitty who has experienced similar feelings herself with her mother's partner Gerald Faulkner (Old Goggle-eyes), tells how her mother is changed by Gerald's presence, and how he long remains a thorn in Kitty's side.

The Magic of Drama : an Oral Performance Activity Book Oct 03 2020 This is a complete drama course in one book. 'The Magic of Drama' is a reproducible integrated oral skills textbook. The book is intended to be used by high school and college ESL students at the high intermediate to advanced levels. As a main or supplementary text, it can be used in a variety of classes, including: speaking and listening; oral communication

skills for international teaching assistants; public speaking, drama; film or literature; any class in which drama, film, or literature is used as a medium for learning. "The Magic of Drama" uses movies, plays, songs, news, short stories, poetry, proverbs, props and pictures as resources for: activities, discussions, debates, interviews, impromptu speaking, improvisations, original dramas, video-taped performances, skills, fluency, thinking on your feet, clear pronunciation, vocabulary development, listening comprehension, grammatical accuracy and making presentations. Also includes a supplement which provides activities for a selection of plays and movies. The supplement includes activities for these plays, which have also been made into movies: The Heiress, The Best Man, Harvey, Inherit The Wind, Liliom/Carousel, Romeo and Juliet/West Side Story. The supplement also includes activities for these movies: Parenthood, 1776, South Pacific, Field of Dreams, Stanley and Iris and Mr. Holland's Opus. After engaging in the activities in this text, students are more confident and successful communicators who look forward to the next opportunity to converse, present and perform.

Asking Questions Oct 15 2021 Asking Questions examines a central phenomenon of language - the use of sentences to ask questions. Although there is a sizable literature on the syntax and semantics of interrogatives, the logic of "questions", and the speech act of questioning, no one has tried to put the syntax and semantics together with the speech acts over the full range of phenomena we pretheoretically think of as asking questions. Robert Fiengo not only does this, but also takes up some more foundational issues in the theory of language. By positioning the findings of contemporary grammatical theorizing within the larger domain of language use, Fiengo challenges the use theorist to acknowledge the importance of grammatical form and the grammarian to acknowledge the importance of use. In addition to developing an Austinian distinction between four questioning speech-acts, and a proposal concerning the philosophy of language, Asking Questions contains a useful discussion of the type-token distinction and how use of language compares with use of other things. Fiengo also considers the nature of multiple questions, revealing what one must know to ask them, and what speech acts one may perform when asking them. Asking Questions advances our understanding of a wide range of issues in a number of important respects. Scholars and students of linguistics and philosophy will find plenty to interest them in this pioneering work.

The Law Students' Journal Apr 09 2021

Deadly Thought Feb 25 2020 The human soul is for pre-modern philosophers the cause of both thinking and life. This double aspect of the soul, which makes man a rational animal, expresses itself above all in human action. Deadly Thought: 'Hamlet' and the Human Soul traces Hamlet's famous inability to act to his inability to hold together these twin aspects of the soul.

Macbeth through Multiple Intelligences Sep 14 2021

Burning Everest and Mariza's Story Apr 21 2022 In Burning Everest, Jim's inability to come to terms with being in a foster home leads him to escape into a world in which his fantasy of leading an expedition up Everest becomes dangerously real. In Mariza's story, a young Brazilian must cope with the violence and poverty of life on the streets after she is accidentally separated from her mother. Includes questions and discussion exercises for each play.

Hearings Dec 25 2019

The Play of a Christmas Carol Aug 25 2022 The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This is an adaptation of Dickens's popular Christmas story for reading aloud and performing.

Perennial Questions Apr 28 2020 "What is necessary is to examine unemotionally, not merely intellectually...the intellect doesn't solve any problem; it can only invent a lot of ideas, theories. Nor can emotion dissipate the urgency of the problems that one has to face and resolve. What is necessary, it seems to me, is a mind that is capable of examination. To examine there must be freedom from personal views, with a mind that is not guided by one's own temperament, inclination, nor is compelled by circumstances....it seems to me that one must look at them, not as an individual, but as a human being..the human being supercedes the individual...human beings have the same common factor of sorrow, of joy, of unresolved miseries, despairs, the immense loneliness of modern existence, the utter meaninglessness of life as it is lived now throughout the world;if we could consider these problems as human beings... then perhaps we can intelligently, with care, resolve our problems." An extensive compendium of Krishnamurti's talks and discussions in the USA, Europe, India, New Zealand, and South Africa from 1933 to 1967—the Collected Works have been carefully authenticated against existing transcripts and tapes. Each volume includes a frontispiece photograph of Krishnamurti , with question and subject indexes at the end. The content of each volume is not limited to the subject of the title, but rather offers a unique view of Krishnamurti's extraordinary teachings in selected years. The Collected Works offers the reader the opportunity to explore the early writings and dialogues in their most complete and authentic form.
