2020 Since its founding by Jacques Waardenburg in 1971, Religion and Reason has been a leading forum for contributions on theories, theoretical issues and agendas related to the phenomenon and the study of religion.

Topics include (among others) category formation, comparison, ethnophilosophy, hermeneutics, methodology, myth, phenomenology, philosophy of science, scientific atheism, structuralism, and theories of religion. From time to time the series publishes volumes that map the state of the art and the history of the discipline.

Waiting for Nothing, and Other Writings Oct 26

2019 In "Waiting for Nothing" and Other Writings, the works of the depression-era writer Tom Kromer are collected for the first time into a volume that depicts with searing realism life on the bum in the 1930s and, with greater detachment, the powerless frustration of

working-class people often too locked in to know their predicament. *Waiting for Nothing*, Kromer's only completed novel, is largely autobiographical and was written at a Civilian Conservation Corps camp in California. It tells the story of one man drifting through America, east coast to west, main stem to side street, endlessly searching for "three hots and a flop"--food and a place to sleep. Kromer scans, in first-person voice, the scattered events, the stultifying sameness, of "life on the vag"--the encounters with cops, the window panes that separate hunger and a "feed," the bartering with prostitutes and homosexuals. In "Michael Kohler," Kromer's unfinished novel, the harsh existence of coal miners in Pennsylvania is told in a committed, political voice that reveals Kromer's developing affinity with leftist writers including Lincoln Steffens and Theodore Dreiser. An exploration of Kromer's proletarian roots, "Michael Kohler" was to be a political novel, a story of labor unions and the injustices of big management.

Kromer's other work ranges from his college days, when he wrote a sarcastic expose of the bums in his hometown titled "Pity the Poor Panhandler: \$2 an Hour Is All He Gets," to the sensitive pieces of his later life--short stories, articles, and book reviews written more out of an aching understanding of suffering than from the slick formulas of politics. Waiting for Nothing remains, however, Kromer's most powerful achievement, a work Steffens called "realism to the nth degree." Collected here as the major part of Kromer's oeuvre, Waiting for Nothing traces the author's personal struggle to preserve human virtues and emotions in the face of a brutal and dehumanizing society.

Treatise on the Elucidation of the Knowable, The; The Cycle of the Formation of the Schismatic Doctrines Dec 29 2019

There are two titles in this volume. The Treatise on the Elucidation of the Knowable was written in the Yuan Period by the Tibetan 'Phags-pa for

the Chinese Crown Prince at the time as an outline of Buddhist thought, and deals with such subjects as the Buddhist view of life and Buddhist cosmology. The teachings set forth are based on the whole on the Abhidharmakosa-bhasya, but there are also to be found ideas peculiar to this work. The title, Treatise on the Clarification of What is to be Known, implies that all teachings which it is necessary to know are made clear by the contents of this work. It was originally written in either Tibetan or Mongolian, but only the Chinese translation is extant. The Cycle of the Formation of the Schismatic Doctrines describes the course of the so-called 'Basic Schism' of Buddhism into the Theravada and Mahasamghika Schools, which took place over 100 years after the death of Sakyamuni, and the subsequent division of the Hinayana into 20 minor sects. It is written from the standpoint of the Sarvastivadins, but also describes in detail the doctrinal characteristics of the other sects. This work is thus not only indispensable in the

study of the history of sectarian division in Buddhism, but, when one considers that the majority of extant doctrinal treatises of Hinayana belong to the Sarvastivadins, it is also an invaluable source of material in the elucidation of the tenets of sects other than the Sarvastivadins.

Texts for Nothing and Other Shorter Prose, 1950-1976 Sep 29 2022 This is the last of three volumes of collected shorter prose to be published in the Faber edition of the works of Samuel Beckett - which already includes a volume of early stories (The Expelled/The Calmative/The End/First Love) and of late stories (Company/Ill Seen Ill Said/Worstward Ho/Stirrings Still). The present volume contains all of the short fictions - some of them no longer

than a page - written and published by Beckett between 1950 and the early 1970s. Most were written in French, and they mostly belong within three loose sequences: Texts for Nothing, Fizzles and Residua. The edition also includes two remarkable independent narratives: From an Abandoned Work and As The Story Was Told. All of these texts, whose unsleeping subject is themselves, demonstrate that the short story is one of the recurrent modes of Beckett's imagination, and occasions some of his greatest works. ... he would like it to be my fault that words fail him, of course words fail him. He tells his story every five minutes, saying it is not his, there's cleverness for you. He would like it to be my fault that he has no story, of course he has no story, that's no reason for trying to foist one on me...

Hidden Girl Aug 05 2020 An inspiring and compelling memoir from a young woman who lost her childhood to slavery—and built a new life grounded in determination and justice. When

Shyima Hall was eight years old, her impoverished parents sold her to pay a debt. Two years later, the wealthy family she was sold to moved to Orange County, California, and smuggled her with them. Shyima served the family eighteen hours a day, seven days a week until she was twelve. That's when an anonymous call from a neighbor brought about the end of Shyima's servitude—but her journey to true freedom was far from over. A volunteer at her local police department since she was a teenager, Shyima is passionate about helping to rescue others who are in bondage. Now a US citizen, she regularly speaks out about human trafficking and intends to one day become an immigration officer. In *Hidden Girl*, Shyima "commands unfailing interest, sympathy, and respect" (Publishers Weekly), candidly reveals how she overcame her harrowing circumstances, and brings vital awareness to a timely and relevant topic.

Kielymeyer and the Organic World Oct 19 2021
Carl Friedrich Kielymeyer (1765-1844) was the 'father of philosophy of nature' owing to his profound influence on German Idealist and Romantic Naturphilosophie. With the recent growth of interest in Idealist and Romantic philosophy of nature in the UK and abroad, the importance of Kielymeyer's work is being increasingly recognised and special attention is being paid to his influence on biology's development as a distinct discipline at the end of the eighteenth century. In this exciting new

book, Lydia Azadpour and Daniel Whistler present the first ever English translations of key texts by Kilmeyer, along with contextual and interpretative essays by leading international scholars, who are experts on the philosophy of nature and the formation of the life sciences in the late eighteenth century. The topics they cover include: the laws of nature, the concept of force, the meaning of 'organism', the logic of recapitulation, Kilmeyer and ecology, sexual differentiation in animal life and Kilmeyer's relationship to Kant, Schelling and Hegel. In doing so, they provide a comprehensive English reference to Kilmeyer's historical and contemporary significance.

A Functional Grammar of Gooniyandi Jul 16 2021 This volume sets out to provide a comprehensive description of the grammar of Gooniyandi, a non-Pama-Nyungan language of the southern-central Kimberley region of Western Australia. It covers phonetics and phonology, word phrase and clause structure,

Get Free I Remember Nothing And Other Reflections Free Download Pdf

and the semantics of closed-class grammatical items. The major focus is, however, on meaning: how do Gooniyandi speakers mean with and in their language. To this end, the theoretical framework of systemic functional grammar, particularly as elaborated in Halliday's recent work, is adopted. Certain refinements to the theory are proposed in order to better account for the Gooniyandi evidence. Of obvious importance to those studying Australian aboriginal languages, this work has an importance to a wider audience for its effective presentation of theory justification.

The Fundamentals of Caring Feb 29 2020 LIFE-AFFIRMING STORY OF A DISABLED TEENAGER AND HIS CLUELESS CARER, NOW A NETFLIX DRAMA STARRING PAUL RUDD AND SELENA GOMEZ. The first rule of caring is Don't Get Emotionally Involved. So clueless carer Ben probably shouldn't have agreed to drive stropky, wheelchair-bound teenager Trevor 400 miles across America to reunite with his

deadbeat dad. Especially when Trevor's mother has absolutely forbidden it. Especially when a road trip like this could go so disastrously, gloriously wrong... Funny, life-affirming and beautifully bittersweet, this is the story of an unlikely friendship and the journey of a lifetime. 'Little Miss Sunshine meets Rain Man. Big-hearted and funny and full of hope' Boston Globe.

"I Have Nothing to Hide" May 02 2020 An accessible guide that breaks down the complex issues around mass surveillance and data privacy and explores the negative consequences it can have on individual citizens and their communities. No one is exempt from data mining: by owning a smartphone, or using social media or a credit card, we hand over private data to corporations and the government. We need to understand how surveillance and data collection operates in order to regain control over our digital freedoms—and our lives. Attorney and data privacy expert Heidi

*Get Free **I Remember Nothing And Other Reflections** Free Download Pdf*

Boghosian unpacks widespread myths around the seemingly innocuous nature of surveillance, sets the record straight about what government agencies and corporations do with our personal data, and offers solutions to take back our information. "I Have Nothing to Hide" is both a necessary mass surveillance overview and a reference book. It addresses the misconceptions around tradeoffs between privacy and security, citizen spying, and the ability to design products with privacy protections. Boghosian breaks down misinformation surrounding 21 core myths about data privacy, including: • "Surveillance makes the nation safer." • "No one wants to spy on kids." • "Police don't monitor social media." • "Metadata doesn't reveal much about me." • "Congress and the courts protect us from surveillance." • "There's nothing I can do to stop surveillance." By dispelling myths related to surveillance, this book helps readers better understand what data is being collected, who is gathering it, how they're doing it, and why it

The Encyclopædia Britannica Dec 09 2020

The Philosophy of Ontological Lateness Feb 20 2022 Addressing Merleau-Ponty's work *Phenomenology of Perception*, in dialogue with *The Visible and the Invisible*, his lectures at the Collège de France, and his reading of Proust, this book argues that at play in his thought is a philosophy of “ontological lateness”. This describes the manner in which philosophical reflection is fated to lag behind its objects; therefore an absolute grasp on being remains beyond its reach. Merleau-Ponty articulates this philosophy against the backdrop of what he calls “cruel thought”, a style of reflecting that seeks resolution by limiting, circumscribing, and arresting its object. By contrast, the philosophy of ontological lateness seeks no such finality-no apocalypse or unveiling-but is characterized by its ability to accept the veiling of being and its own constitutive lack of punctuality. To this extent, his thinking inaugurates a new relation

Get Free I Remember Nothing And Other Reflections Free Download Pdf

to the becoming of sense that overcomes cruel thought. Merleau-Ponty's work gives voice to a wisdom of dispossession that allows for the withdrawal of being. Never before has anyone engaged with the theme of Merleau-Ponty's own understanding of philosophy in such a sustained way as Whitmoyer does in this volume.

Nothing is Different, with all the brilliance of the first edition, plus new content and commentary to reflect the rapidly changing landscape we all live, buy, and work in today. For generations, marketing has been hypocritical. We've been taught to market to others in ways we hate being marketed to (cold-calling, flyers, ads, etc.). So why do we still keep trying the same stale marketing moves? UnMarketing shows you how to unlearn the old ways and consistently attract and engage the right customers. You'll stop just pushing out your message and praying that it sticks somewhere. Potential and current customers want to be listened to, validated, and have a platform to be heard-especially online. With UnMarketing, you'll create a relationship with your customers, and make yourself the logical choice for their needs. We know you've been told to act like other people, talk like other people, and market like all the people, but it is time for you to unlearn everything and start to UnMarket yourself. UnMarketing includes the

The Other Side of Nothing Jun 26 2022 ~ Things are not always what they seem~ Annie's world is turned upside down when her best friend Jenna is killed in a car accident just before the New Year. Jenna is gone. Annie is devastated, until she finds she can somehow still see Jenna. Her mind is obviously playing tricks she decides. Insane or not, at least she has her best friend back. School turns out to be another challenge. It's hard to concentrate when the best friend you're supposed to be grieving is now hanging all over Zach, the most popular guy in school. Annie, unable to look Zach in the eye, tries now to avoid a boy she and Jenna both had a crush on. Annie finds that things are not always as they seem. The first day back to school only leaves Annie with two questions. Why is Zach Calloway all of a sudden interested, when before Jenna died he didn't even know Annie existed? Even more important, why can creepy Evan

The Other Side of Nothing Jul 28 2022 A reader-friendly guide to Zen Buddhist ethics for modern times In the West, Zen Buddhism has a reputation for paradoxes that defy logic. In particular, the Buddhist concept of nonduality — the realization that everything in the universe forms a single, integrated whole — is especially difficult to grasp. In *The Other Side of Nothing*, Zen teacher Brad Warner untangles the mystery and explains nonduality in plain English. To Warner, this is not just a philosophical problem: nonduality forms the bedrock of Zen ethics, and once we comprehend it, many of the perplexing

aspects of Zen suddenly make sense. Drawing on decades of Zen practice, he traces the interlocking relationship between Zen metaphysics and ethics, showing how a true understanding of reality — and the ultimate unity of all things — instills in us a sense of responsibility for the welfare of all beings. When we realize that our feeling of separateness from others is illusory, we have no desire to harm any creature. Warner ultimately presents an expansive overview of the Zen ethos that will give beginners and experts alike a deeper understanding of one of the world's enduring spiritual traditions.
