Recommended Books in Spanish for Children and Young Adults Oct 23 2019 Whether used for the development and support of an existing collection or for the creation of a new collection serving Spanish-speaking young readers, this outstanding resource is an essential tool. Following the same format as the highly praised 1996-1999 edition, Schon presents critical annotations for 1300 books published between 2000 and 2004, including reference, nonfiction, and fiction. One section is devoted to publishers' series, and an appendix lists dealers who carry books in Spanish. Includes author, title, and subject indexes.
