Modernism in the Green Feb 26 2020 Modernism in the Green traces a trans-Atlantic modernist fascination with the creation, use, and representation of the modern green. From the verdant public commons in the heart of cities to the lookout points on mountains in national parks, planned green spaces serve as felicitous stages for the performance of modernism. In its focus on designed and public green zones, Modernism in the Green offers a new perspective on modernism's overlapping investments in the arts, politics, urbanism, race, class, gender, and the nature-culture divide. This collection of essays is the first to explore the prominent and diverse ways greens materialize in modern literature and culture, along with the manner in which modernists represented them. This volume presents the idea of "the green" as a point of exploration, as our contributors analyze social-organic spaces ranging from public parks to roadways and refuse piles. Like the term "green," one that evokes both more-than-human natural zones and crafted public meeting places, these chapters uncover the social and spatial intersection of nature and culture in the very architecture of parks, gardens, buildings, highways, and dumps. This book argues that such greens facilitate modernists' exploration of how nature can manifest in an era of increasing urbanization and mechanization and what identities and communities the green now enables or prevents.

The Bona Fide Legend of Cool Papa Bell Dec 26 2019 The first full biography of the star Negro Leaguer and Hall of Famer James "Cool Papa" Bell (1903-1991) was a legend in black baseball, a lightning fast switch hitter elected to the National Baseball Hall of Fame in 1974. Bell's speed was extraordinary; as Satchel Paige famously quipped, he was so fast he could flip a light switch and be in bed before the room got dark. In *The Bona Fide Legend of Cool Papa Bell*, experienced baseball writer and historian Lonnie Wheeler recounts the life of this extraordinary player, a key member of some of the greatest Negro League teams in history. Born to sharecroppers in Mississippi, Bell was part of the Great Migration, and in St. Louis, baseball saved Bell from a life working in slaughterhouses. Wheeler charts Bell's ups and downs in life and in baseball, in the United States, the Dominican Republic, and Mexico, where he went to escape American racism and MLB's color line. Rich in context and suffused in myth, this is a treat for fans of baseball history.

The Just Jul 21 2019 The essays in this book contain some of Paul Ricoeur's most fascinating ruminations on the nature of justice and the law. His thoughts ranging across a number of topics and engaging the work of thinkers both classical and contemporary, Ricoeur offers a series of important reflections on the juridical and the philosophical concepts of right and the space between moral theory and politics.

Hidden Chicago Landmarks Dec 18 2021 Take in the sights of Chicago's forgotten byways, including a cow trail through a downtown hotel. Pause reflectively at the cemetery in a working scrapyard and the church built without a nail. Stop by the one-time homes of Walt Disney, Joe Louis, Hillary Clinton and Al Capone. Along the way, greet forgotten Chicago notables like the vice president who won a Nobel Prize and wrote a number-one pop hit. From the shortest street to the oldest house, John R. Schmidt visits the sites of Chicago's neglected history.

Enchantments Jun 12 2021 The first major work to examine Joseph Cornell's relationship to American modernism Joseph Cornell (1903-1972) is best known for his exquisite and alluring box constructions, in which he transformed found objects—such as celestial charts, glass ice cubes, and feathers—into enchanted worlds that blur the boundaries between fantasy and the commonplace. Situating Cornell within the broader artistic, cultural, and political debates of midcentury America, this innovative and interdisciplinary account reveals enchantment's relevance to the history of American modernism. In this beautifully illustrated book, Marci Kwon explores Cornell's attempts to convey enchantment—an ephemeral experience that exceeds rational explanation—in material form. Examining his box constructions, graphic design projects, and cinematic

experiments, she shows how he turned to formal strategies drawn from movements like Transcendentalism and Romanticism to figure the immaterial. Kwon provides new perspectives on Cornell's artistic and graphic design career, bringing vividly to life a wide circle of acquaintances that included artists, poets, writers, and filmmakers such as Mina Loy, Lincoln Kirstein, Frank O'Hara, and Stan Brakhage. Cornell's participation in these varied milieus elucidates enchantment's centrality to midcentury conversations about art's potential for power and moral authority, and reveals how enchantment and modernity came to be understood as opposing forces. Leading contemporary artists such as Betye Saar and Carolee Schneemann turned to Cornell's enchantment as a resource for their own anti-racist, feminist projects. Spanning four decades of the artist's career, *Enchantments* sheds critical light on Cornell's engagement with many key episodes in American modernism, from Abstract Expressionism, 1930s "folk art," and the emergence of New York School poetry and experimental cinema to the transatlantic migration of Symbolism, Surrealism, and ballet.

Fire Sep 22 2019 In the midst of the Chicago fire of 1871, Nate is desperate to get back to his great aunt's boarding house, but finds himself responsible for the safety of Julie, who is also separated from her family.

Heiß glüht mein Hass Oct 28 2022 Was war das? Da! Da war es schon wieder, dieses unheimliche Geräusch ... Zu spät erkennt die Studentin Caitlin, dass ihr Leben in Gefahr ist - wenig später verschlingen Flammen ihren toten Körper ... Sie ist nicht das erste Opfer jenes Mörders, der in Chicago wütet und seine Taten dann durch Brandanschläge zu vertuschen sucht. Um ihn zu fassen, muss Detective Mia Mitchell mit dem eigenwilligen Brandexperten Reed Solliday zusammenarbeiten. Als der Killer Mia auf seine Todesliste setzt, ist Reed ihre einzige Hoffnung ...

***Baseball Meets the Law* Mar 09 2021 Baseball and law have intersected since the
primordial days. In 1791, a Pittsfield, Massachusetts, ordinance prohibited ball
playing near the town's meeting house. Ball games on Sundays were barred by a
Pennsylvania statute in 1794. In 2015, a federal court held that baseball's
exemption from antitrust laws applied to franchise relocations. Another court
overturned the conviction of Barry Bonds for obstruction of justice. A third denied
a request by rooftop entrepreneurs to enjoin the construction of a massive video
screen at Wrigley Field. This exhaustive chronology traces the effects the law has
had on the national pastime, both pro and con, on and off the field, from the use
of copyright to protect not only equipment but also "Take Me Out to the Ball
Game" to frequent litigation between players and owners over contracts and the
reserve clause. The stories of lawyers like Kenesaw Mountain Landis and Branch
Rickey are entertainingly instructive.**

**Invitation to Law and Society Jul 25 2022 Law and Society is a rapidly-growing
interdisciplinary field that turns on its head the conventional, idealized view of the
"Law" as a magisterial abstraction. Kitty Calavita's Invitation to Law and Society
brilliantly brings to life the ways in which law shapes and manifests itself in the
institutions and interactions of human society, while inviting the reader into
conversations that introduce the field's dominant themes and most lively
disagreements. Deftly interweaving scholarship with familiar personal examples,
Calavita shows how scholars in the discipline are collectively engaged in a
subversive exposé of law's public mythology. While surveying prominent issues
and distinctive approaches to the use of the law in everyday life, as well as its
potential as a tool for social change, this volume provides a view of law that is
more real but just as compelling as its mythic counterpart. In a field of inquiry
that has long lacked a sophisticated yet accessible introduction to its ways of
thinking, Invitation to Law and Society will serve as an engaging and indispensable
guide.**

LIFE Sep 15 2021 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use.

The Cultural Encyclopedia of Baseball, 2d ed. May 23 2022 More than any other sport, baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game, while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major Leagues' decision to integrate, and the words and phrases of the game (for example, pinch-hitter and out in left field) have become common in our everyday language. From AARON, HENRY onward, this book covers all of what might be called the cultural aspects of baseball (as opposed to the number-rich statistical information so widely available elsewhere). Biographical sketches of all Hall of Fame players, owners, executives and umpires, as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners and league presidents. Advertising, agents, drafts, illegal substances, minor leagues, oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders, and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs.

Chicago in the World Series, 1903-2005 Sep 27 2022 When the White Sox met the Astros in the 2005 World Series, it marked only the second time Chicago team had appeared in a televised World Series. (The first was in 1959 when the White Sox lost to the Dodgers.) Of the other 12 Series involving the Cubs or White Sox, seven occurred before the radio broadcasting of baseball. Five others were broadcast, but because the games were played during the workday, fans continued to get their coverage from newspapers. There they found accounts penned by some of the greatest journalists of the 20th century, including Ring Lardner, Grantland Rice, Arthur "Bugs" Baer and Westbrook Pegler, as well as legendary Chicago scribes Charles Dryden, James Crusinberry, Hugh Fullerton, I.E. Sanborn, and Irving Vaughan. With a chapter on each World Series involving a Chicago team, this book covers 100 years of championship diamond contests in the Windy City, from the intra-city classic of 1906 to the end of the White Sox's 88-year championship drought in 2005. Contemporary accounts from newspapers and sports publications complement the author's informed commentary, providing two views of the Series: one shared by those who were there, and one informed by the decades since.

***Don't Tell* Jun 24 2022 They tried to escape him, but he wouldn't let them: DON'T TELL is a gripping thriller in the Chicago series by the Sunday Times bestseller Karen Rose. Desperate Mary Grace Winters knew the only way to save herself and her child from her abusive husband was to stage their deaths. Now all that remains of her former life is at the bottom of a lake. As Caroline Stewart, Mary**

Grace has almost forgotten the nightmare she left behind nine years ago. Slowly she has learned to believe that her new life, and new identity, is here to stay. Then her husband uncovers her hidden trail. Step by step he's closing in on her and everyone she loves. Now Caroline must decide whether to flee again or whether the time has come to stay and fight...

***Chicago Assault* Aug 14 2021** A vigilante ex-cop avenges the murder of a friend in this fast-paced thriller from the New York Times-bestselling author of the Doc Ford series. When the police department told him to hold his fire, Hawker pulled the trigger anyway—and killed a dangerous terrorist. Since losing his badge, this hardnosed vigilante has been exiled from Chicago, the city he loves more than any other. He returns for the sake of one man: Saul Beckerman, a friend from the old neighborhood who has become one of the richest people in the city. Since Hawker began his nationwide war against organized crime, Beckerman has gotten into trouble with the wrong people, and even the nation's most dangerous defender can't save him now. Hawker arrives at Beckerman's penthouse just as his cocktail party is transforming into an orgy. Avoiding the writhing flesh of Chicago's most powerful, Hawker takes his friend onto the balcony. He's about to ask what's troubling the man when the air is rent by a gunshot. Beckerman dead, Hawker sets out on a mission for bloody vengeance. The author of *Bone Deep* and *Night Moves* "raises the bar of the action thriller," and this entry in one of his early series delivers a relentless, suspense-charged ride (*The Miami Herald*). *Chicago Assault* is the 3rd book in the Hawker series, but you may enjoy reading the series in any order.
