*3 Duos für 2 Violoncelli, Opus 10* Jan 25 2020 Although there is scant information about Neubauer, it is known he was a prolific composer, shown by the number and variety of works he made during his short life. The *3 Duos für 2 Violoncelli* are one of his last compositions, imbued with a marked individuality and a skilled technique perfectly in keeping with the style of his time. A delightful work that offers us insight into the character of the composer and the times in which he lived. --- Obwohl nur wenige Informationen über Neubauer existieren, ist er als sehr produktiver Komponist bekannt, was an der Anzahl und der Vielfalt der Werke, die er während seines kurzen Lebens komponierte, zu sehen ist. **String quartet no. 2 in D-flat major, op. 15** Sep 25 2022 Ernst von Dohnanyi (1877-1960 Ernő Dohnányi in Hungarian) is generally regarded, after Liszt, as Hungary's most versatile musician. He was active as a concert pianist, composer, conductor and teacher and must be considered one of the chief influences on Hungary's musical life in the 20th century. Certainly, his chamber music is very fine, with most of it being in the masterwork category. Yet, sadly and inexplicably, it has virtually disappeared from the concert stage. Dohnanyi studied piano and composition in his native Pressburg (Bratislava) before entering the Budapest Academy. His first published work, his Piano Quintet No.1, was championed by no less an authority than Johannes Brahms. Upon graduating in the spring of 1897, Dohnanyi embarked on a dazzling career as a concert artist, often playing in chamber ensembles. Later, he also devoted considerable time to teaching and conducting. String Quartet No.2 dates from 1906 and was premiered to great critical acclaim. It is in three movements. The first movement, Andante--Allegro, begins with a slow, broad rising introduction. It is the most important melodic theme of the entire quartet and serves as its motto-motif. The Andante is immediately interrupted by a brief Allegro burst of energy. An Adagio interrupts the Allegro momentarily before it is allowed to begin in earnest. Particularly striking is the fact that it takes place at a rapid tempo while simultaneously the main theme, the motto, is played at its original slow tempo. It sounds as if one is hearing two widely different tempi at once. It is an extraordinary effect and makes an incredible impression. The second movement, Presto acciaccato, is a scherzo, opening with a relentless, driving rhythm in the cello. Superimposed periodically on top of this rhythm are warning chords which create a menacing mood of evil. The choral theme of the trio is a pure and innocent prayer. The final movement might well have been subtitled "Apotheosis." Although beginning Molto Adagio, it consists of several other important sections. More accurately it should be entitled Molto Adagio--Animato--Adagio--Andante--Allegro. It begins in a hushed mood similar to the trio section of the preceding scherzo. Suddenly, there is a powerful, angry outburst as the Animato dramatically explodes full of passion. (our sound-bite begins here). In the final part of the Animato, we hear for the first time the entire exposition of the opening Adagio powerfully stated by the viola against a ethereal accompaniment in the violins, playing high on their e strings. The dramatic high point is reached toward the end of the Andante when it comes time for the restatement of the opening motto. The two violins slowly climb ever higher, the second echoing the first each step of the way. - <http://www.editionsilvertrust.com/dohnanyi-string-quartet-no2.htm>

Nicolas Medtner Jul 11 2021 Nicholas Medtner (1880-1951) has always been a neglected figure in the history of Russian music, and yet his friend Rachmaninoff considered him the greatest of contemporary composers. He wrote three fine piano concertos, more than one hundred solo piano compositions, including a cycle of fourteen sonatas fully worthy to be set alongside those of Scriabin and Prokofiev, and many beautiful songs. He was also a great pianist. Leaving Russia after the Bolshevik Revolution, Medtner lived for a time in Germany and France before finally settling in London, where he passed the final sixteen years of his life. The present work is the first to tell the full story of his eventful life and to consider in turn each of his compositions. The author has drawn on Medtner's own correspondence and writings and collected the reminiscences of those who knew him personally to build a comprehensive picture of a great, if still largely unrecognised, musician.

*2. Klaviersonate, Opus 13* Dec 16 2021 Acclaimed during his lifetime but underrated after his death, Carl Czerny's compositions have started to be rediscovered in the last few years. Overshadowed perhaps by the immense pedagogic legacy he produced, this composer of serious and delightful

music awakes in his 2. Klaviersonate. Composed at the dawn of the romantic era, but retaining clear classical roots, this work is a resplendent jewel in the history of musical development. --- Die zu seinen Lebzeiten gefeierten, aber nach seinem Tod unterschätzten Kompositionen Carl Czernys begannen erst in den letzten Jahren wieder entdeckt zu werden. Vielleicht in den Schatten gestellt durch sein gewaltiges pädagogisches Vermächtnis, erwacht dieser Komponist von ernster und schöner Musik in seiner 2. Klaviersonate zu neuem Leben. An der Schwelle der Romantik komponiert, wenn auch mit noch eindeutig klassischen Wurzeln, ist dieses Werk ein strahlendes Juwel in der Entwicklung der Musikgeschichte.
