It's like having a friend show you around, taking you to the places locals like best. Our expert authors have already gone everywhere you might go -- they've done the legwork for you, and they're not afraid to tell it like it is, saving you time

and money. No other series offers candid reviews of so many hotels and restaurants in all price ranges. Every Frommer's Travel Guide is up-to-date, with exact prices for everything, dozens of color maps, and exciting coverage of sports, shopping, and nightlife. You'd be lost without us! Completely updated every year (unlike most of the competition), Frommer's New England features gorgeous full-color photos of the historic sights, stunning landscapes, and seaside towns that await you. Meticulously researched by a team of expert residents who know this region intimately, this is an extraordinary and highly personal guide to one of America's most scenic regions. Frommer's New England is packed with candid opinions on the best country inns and restaurants, lobster pounds, antique shops, foliage tours, beaches, hiking, biking, and other outdoor adventures. We've covered all the perennial favorites, from the Freedom Trail to the Berkshires and beyond, but we'll also take you off the beaten track to discover New England's best small towns and most pristine wild places. Whether you want a romantic getaway in a Vermont country inn or family fun on the Cape's best beaches, Frommer's will help you design the trip that's right for you. You'll even find a color fold-out map and an online directory that makes trip-planning a snap!

**The Herbal Apothecary** Mar 06 2021 A comprehensive and practical reference to using medicinal herbs for natural healing from JJ Pursell, the founder of The Herb Shoppe and one of the leading names in the fields of herbalism and naturopathy.

*Hong Kong Apothecary* Aug 23 2022 Hong Kong Apothecary transports us to the exotic world of Eastern medicine, a world of oils, powders, pills, and cures for every known ailment from impotency to opium addiction. As peculiar as pink pills for pale people are the packages containing these medicaments. Author Simon Go has combed manufacturers, shops, and home medicine cabinets for years collecting the most compelling examples. the result is a visual cabinet of curiosities, a graphical pharmacopoeia. Divided by type such as ointments, herbal teas, infused oils Hong Kong Apothecary presents the fascinating graphics and tantalizing descriptions of hundreds of medicines and gives us an insight into Chinese customs afforded only by examining the artifacts and customs of everyday life. many of these

medicines are no longer produced, making Hong Kong Apothecary a memoir of a quickly disappearing culture. This lavishly illustrated book is of interest as much for designers seeking inspiration in the unknown vernacular of commercial graphics as for anyone interested in Eastern medicine.

**Islands of Deutschtum** Aug 19 2019 "Islands of Deutschtum" adds new knowledge to the study of German-Americans. It describes the migration of German textile workers to the textile centers of New England. It describes how they fashioned ethnic communities, which not only survived World War I but lasted into World War II. The classic struggle between ethnic maintenance and Americanization is catalogued.
